REQUEST FOR RECONSIDERATION DENIED

ISSUE/MAILING DATE: 4/21/2015

INTERNATIONAL REGISTRATION NO. 1189046

The trademark examining attorney has carefully reviewed applicant's request for reconsideration and is denying the request for the reasons stated below. See 37 C.F.R. §2.63(b)(3); TMEP §§715.03(a)(ii)(B), 715.04(a). The following requirement(s) and/or refusal(s) made final in the Office action dated October 2, 2014 are maintained and continue to be final: Trademark Act Section 2(d) refusal. See TMEP

§§715.03(a)(ii)(B), 715.04(a). The examining attorney accepts the applicant's amendment with regard to the name of the owner of the mark. See TMEP §§715.03(a)(ii)(B), 715.04(a).

Applicant seeks to register the mark "KC CHOCOLATIER." Registration Nos. 0372247, 19118218, 1963022, 1744715, 2221414, 2300899, 2993666 and 3510888 are for the marks "KC BEVERAGES" and design, "KC SOCCER GUM," "KC CANDY DINNER MINT," "KC CANDY," "KC TRANSFER TATTOO," "KC SOUR FACE," "KC CANDY GINER MINT" and design, and "KC CANDY" and design. The applicant's goods are "Chocolate, chocolate bars, chocolate truffles, chocolates and chocolate spreads." Registration Nos. 0372247, 19118218, 1963022, 1744715, 2221414, 2300899, 2993666 and 3510888 are for "nonalcoholic, noncereal, maltless beverages sold as soft drinks, and syrups, extracts, and flavors used in making the same," "confectionery, namely chewing gum," "candy, namely dinner mints," "candies," "bubble gum," "sugar confectionery, namely candy," "candy," and "confectionery, namely candy". Applicant's goods and registrant's goods are or could be identical. Additionally, the examining attorney has attached websites from www.google.com showing that applicant's goods, chocolate, and soft drinks and/or chewing gum are sold by the same entities. Thus, applicant's goods and registrant's goods are sold in the same trade channels.

In the present case, applicant's request has not resolved all the outstanding issue(s), nor does it raise a new issue or provide any new or compelling evidence with regard to the outstanding issue(s) in the final Office action. In addition, applicant's analysis and arguments are not persuasive nor do they shed new light on the issues. Accordingly, the request is denied.

If applicant has already filed a timely notice of appeal with the Trademark Trial and Appeal Board, the Board will be notified to resume the appeal. See TMEP §715.04(a).

If no appeal has been filed and time remains in the six-month response period to the final Office action, applicant has the remainder of the response period to (1) comply with and/or overcome any outstanding final requirement(s) and/or refusal(s), and/or (2) file a notice of appeal to the Board. TMEP §715.03(a)(ii)(B); see 37 C.F.R. §2.63(b)(1)-(3). The filing of a request for reconsideration does not stay or extend the time for filing an appeal. 37 C.F.R. §2.63(b)(3); see TMEP §§715.03, 715.03(a)(ii)(B), (c).

Do you follow a Dairy-free diet?

Got... issues with... milk? You're not the only one. But there are plenty of milk alternatives you can pour over cereal or dunk your cookies in. From dairy alternatives such as soy, rice and nut milks to easy-to-digest goat's milk powder, Vitacost has all the best non-moo juices to keep bellies calm and cows happily munching grass in their pastures.

You don't have to follow a dairy-free diet to enjoy delicious milk substitutes. Ever try creamy coconut milk in coffee? How 'bout organic milk from almonds in your smoothie? What a shame to label vanilla ice cream a 'milk substitute'! It stands perfectly well chilled, in a tall glass—all on its very own.

Who needs the hassle of bringing a sweeter to the grocery store, where you get goosebumps deciding between 2% regular or chocolate organic milk in that dreadful dairy aisle? Stop, wait—and leave a lot of 'moo-ah!'—when you shop for tasty, healthy milk alternatives and dairy substitute products right here at Vitacost.com.
