MOTION REQUESTING OF THE EXTENSION OF TIME FOR  
FILING APPEALS BRIEF

Applicant respectfully requests a second and last fifteen (15) day extension to file its appeal brief in the present case. The undersigned has been engaged with many other cases before this office, all with due dates close to each other. Furthermore, the undersigned handles the present case via an intermediate law firm in Madrid. It was not until late last week, while the undersigned was away from the office attending a trademark conference, that instructions to file the brief were provided. Under these circumstances, sincerely, it has not been possible for the undersigned to responsibly complete the appeal brief in this case. Given that this is an ex-parte proceeding and that no third party rights will be affected by the granting of this extension, as per section 1203.02(d) of the Trademark Trial and Appeal Board Manual of Procedure, Applicant hereby requests a fifteen (15) day extension to file its appeals brief.

Respectfully submitted,  
Attorney for Appellant
