**REQUEST FOR REMAND TO THE EXAMINING ATTORNEY SO THAT
AN AMENDMENT TO THE IDENTIFICATION OF THE GOODS AND
SERVICES MAY BE EXAMINED**

Appellant makes reference to the order entered by this Board on July 14, 2015.

Appellant's legal representative was away for three weeks with this family during the last two weeks of July and the first week of August and was not able to act on the referenced order entered by this Board. While Appellant is aware that that term provided to file the request for remand has lapsed, given that no order has yet issued requiring the examining attorney to file her brief, appellant respectfully request that it be allowed to remand the case to the examining attorney so that she may address certain amendments to the three classes.

Respectfully submitted,

Arturo Pérez-Guerrero
Attorney for Applicant
