REQUEST FOR AN EXTENSION OF TIME TO FILE BRIEF

Applicant, by and through counsel, hereby moves, pursuant to TBMP 1203.02(d), for an extension of time of **sixty (60) days to November 19, 2016** to file its appeal brief in the above captioned proceedings.

An extension of time for filing an appeal brief in an ex parte appeal to the Board may be granted upon written request showing good cause for the extension. See In re Miller Brewing Co., 226 U.S.P.Q. 666, 667 n.4 (T.T.A.B. 1985). The determination of good cause depends on the totality of circumstances. TBMP 1203.02(d). Among the grounds that have been accepted as demonstrating good cause are “the need to get instructions from a foreign applicant.” Id.

Applicant submits that it has good cause for the requested extension. Applicant in this case is a foreign entity and Applicant’s counsel has been in contact with Applicant’s foreign attorney. The instructions include an assignment of the application to Applicant’s related entity

which owns the registration cited by the Examining Attorney in which case the refusal to register would be moot. Additional time is needed to complete the required assignment and to have it acted upon and for the documentation to be sent. Accordingly, Applicant requests the extension to give the time necessary to complete the assignment process.
