In re Nicholas Piggott

Serial No. 79144500

Filed: 10/17/2013

Ellen Yowell, Paralegal Specialist:

On September 8, 2015, the Examining Attorney requested remand for further examination. The Examining Attorney seeks remand in order to raise new issues for refusal of registration.

In view of the reasons given therein, the request for remand is granted. *See* Trademark Rule 2.142(f)(6); TBMP § 1209.02. Action on the appeal is suspended and the record of application file is remanded to the Trademark Examining Attorney.

If the Trademark Examining Attorney issues another final refusal, the “six-month response” clause should be omitted and the file of this case should be returned to the Board. Action on the appeal will then be resumed and Applicant will be allowed time in which to file its supplemental brief if so desired.
