**APPLICANT'S REQUEST FOR SUSPENSION**

Applicant requests suspension of the appeal pursuant to TBMP § 1213, on the ground that cited Registration No. 803,155 may expire for failure to renew it. Applicant's DEBONEIRE & Design mark was refused registration due to an alleged likelihood of confusion with the cited DEBONAIR mark in Registration No. 803,155. If an applicant requests suspension based on the possibility that the cited registration will expire for failure to renew it, the Board will grant such request if the Board acts on the request after the 9<sup>th</sup> anniversary of the issue date or the renewal date for the registration. TBMP § 1213. Here, cited Registration No. 803,155 issued on February 1, 1966, and was last renewed on September 27, 2006. Therefore, Applicant is submitting this request for suspension after the 9<sup>th</sup> anniversary of the issue date and the renewal date for the cited registration, and Applicant respectfully requests that the Board suspend the appeal accordingly.

**APPLICANT'S REQUEST FOR SUSPENSION**

Respectfully submitted,
