**Tyrone Craven, Lead Paralegal Specialist:**

On October 13, 2015, Applicant filed a request to suspend appeal. The request is based on the grounds that Registration No. 803155, which was cited by the Trademark Examining Attorney as a Section 2(d) bar to registration, may be cancelled for failure to file a Section 9 renewal.

In view thereof, Applicant's request to suspend is granted. Proceedings with respect to the appeal are suspended pending possible cancellation of Registration No. 803155. In the event that the cited registration is cancelled, the appeal will be moot. In the event that the Section 9 renewal is filed, the appeal will be resumed and the Applicant will be allowed time to file its appeal brief.
