Extension of Time to Oppose No. 79158361

Among other changes, for any notice of opposition filed on or after November 1, 2007, the new rules require an opposer to provide proof of service of the notice of opposition upon the applicant at the time the notice of opposition is filed. Trademark Rule 2.101. (Parallel amendments to Trademark Rule 2.111 require a petitioner to include proof of service of the petition for cancellation.) Service may be made by any of the means set out in Trademark Rule 2.119(b). A certificate of service is adequate proof of service; service by a process server is not necessary. A notice of opposition (or petition for cancellation) filed without a certificate of service will not be instituted.
