In re REEF COSMETICS SA

Serial No. 79168615

Filed: 6/3/2015

**By the Board:**

On November 1, 2016, the Examining Attorney requested that the application be remanded to him for further examination. *See* Trademark Rule 2.142(d), TBMP §1209.02. Specifically, after communicating with the applicant, the Examining Attorney, seeks remand in order to enter an Examiner's Amendment, which he believes will resolve the outstanding issue on appeal.

In view thereof, the Examining Attorney's request for remand is granted, proceedings on the appeal are suspended, and the application is remanded to the Examining Attorney for further appropriate examination. If the Examiner's Amendment does, in fact, resolve the issue on appeal, the Examining Attorney may approve the application for publication and the appeal will be moot.

In the event that amendment does not overcome the refusal, an Office action re-stating the final refusal should issue, omitting the six-month response clause, and the application should be returned to the Board for resumption of

the appeal. At that point, the Board will resume proceeding and allow the Examining Attorney time to file a brief.
