Denise M. DelGizzi,
Technical Program Manager:

On December 19, 2014, applicant filed its notice of appeal via ESTTA, the Trademark Trial and Appeal Board's online filing system. In this case, the applicant checked the request for reconsideration box on the ESTTA form indicating that it had filed, or was filing on that day, a request for reconsideration of the final refusal to register. As a result of checking the box on the ESTTA form, the application was forwarded to the Trademark Examining Attorney for consideration.

A review of the record shows that the Examining Attorney denied applicant's December 3, 2014 request for reconsideration on December 18, 2014. In view thereof, there is no outstanding request for reconsideration for the Examiner to consider.

In view thereof, proceedings on the appeal are resumed and applicant is allowed until **SIXTY DAYS** from the mailing date of this order in which to

Exparte Appeal No. 79975323

file its brief herein.

A request for an oral hearing, if desired, is due not later than ten days after the due date for applicant's reply brief.
