Reconsideration dated July 30, 2013 (“Request for Reconsideration”). Appellant referenced those third-party registrations in both the Appeal Brief and the Request for Reconsideration to show the number of toll-free telephone number (“1-800” structure) marks that have been registered by the PTO based on specimens materially the same as the specimens submitted by Appellant. Attachments 1 to 50 to the Request for Reconsideration provided examples of the specimens for each listed third-party registration. Appellant also made of record in the Request for Reconsideration the electronic equivalent of the registration certificates for certain of the third-party marks on that list.¹ Registration certificates for certain other third-party marks on the list, however, appear to have been inadvertently omitted from the July 30, 2013 filing.

Just prior to filing Appellant’s Appeal Brief, newly appearing counsel for Appellant learned that corresponding Certificates of Registration were not made of record for all of the third-party marks appearing on that July 30 list. As such, current counsel wishes to supplement the record with the registration certificates for those marks and attaches a copy of those certificates as Exhibit A hereto. *See* TBMP § 1207.02 (stating that the Board has found good cause for a remand where a new attorney has appeared on behalf of the applicant); *see also In re Paycom Payroll, L.L.C.*, Serial No. 77915392, 2012 TTAB LEXIS 381, at *3 (T.T.A.B. Sept. 28, 2012) (non-precedential) (noting that the Board granted the Examining Attorney’s request to supplement the record with evidence that was inadvertently omitted). As the Examining Attorney already was expressly notified of these third-party marks, and they also appear to have

¹ *See* Attachment 51 to the Request for Reconsideration containing TSDR records for 1-800-45HI-PRO (Reg. No. 1,966,592); 1-800-622-BEST (Reg. No. 2,224,899); 1-800-ASK-USPS (Reg. No. 2,345,079); 1-800-WIN-WIN-1 (Reg. No. 3,106,660); 1-800-CALL-JOE (Reg. No. 3,538,372); 1-800-PITCREW & design (Reg. No. 3,873,897); 1-800-CALL-KEN (Reg. No. 3,946,570); 1-800-THERAPIST (Reg. No. 4,285,135) and 1-800-My-Eye-Doc (Reg. No. 4,298,015).

The registration certificates for the following third-party marks on the list were previously made of record as part of Exhibit C to Appellant’s June 17, 2013 Office Action Response (“June 2013 Response”): 1-800-NEW-FLOOR (Reg. No. 4,058,459); 1-800-UNLOCKS (Reg. No. 4,189,990); 1-800-IN-STOCK (Reg. No. 4,196,740); 1-800 2 SELL HOMES (Reg. No. 4,224,708); 1-800-THERAPIST (Reg. No. 4,285,135); 1-800-TAXICAB (Reg. No. 4,288,048); and 1-800-My-Eye-Doc (Reg. No. 4,298,015).

been considered by the Examining Attorney in connection with the prosecution below, *see* August 20, 2013 letter denying Request for Reconsideration at pages 4 and 6, ensuring that the appellate record is complete provides further good cause for permitting current counsel's request, and there should be no prejudice to the Examining Attorney.

Appellant also respectfully requests permission to supplement the record with the registration certificates contained in Exhibit B for the following third-party marks: DRYWALL 911 (Reg. No. 4,480,684); ELECTRICIAN 911 (Reg. No. 4,394,887); COMPUTER 911 (Reg. No. 1,897,907); DENTAL 911 (Reg. No. 3,834,939) and BED BUG 911 (Reg. No. 4,015,292). These registrations further support the argument originally made by Appellant in its June 2013 Response to a non-final office action, and which is reiterated at page 7 of the Appeal Brief, that the term "911" is recognized by the PTO as having source-indicating significance, when used in the same manner as it is by Appellant, namely, after an informative word (1-800-TIRE-911 in Appellant's case) and in connection with assistance and/or repair services. Adding these registration certificates to the record will not raise new issues and at least two of the registrations (*i.e.*, Registration Nos. 4,480,684 and 4,394,887) could not have been made of record with Appellant's submissions in the proceeding below as they issued after the Request for Reconsideration was denied. *See* TBMP § 1207.02 (stating that the Board has found good cause for a remand to add evidence that was not previously available).

Given that the Examining Attorney has yet to file his brief, Appellant's request for remand is timely. The evidence is relevant to two arguments with which the Examining Attorney is already well familiar; and has already been specifically advised of much of the evidence through a prior office action response. Appellant respectfully requests that the appeal be suspended and that the application be remanded so that the record may be supplemented with registration certificates attached within Exhibits A and B hereto.

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration.
