**REQUEST FOR EXTENSION OF TIME
TO FILE APPLICANT'S APPEAL BRIEF**

Applicant, through its undersigned counsel, hereby requests a 30-day extension of time to file its main brief in this ex parte appeal. The additional time is requested because Applicant is a foreign company, located in the United Kingdom, and additional time is needed to confer between UK counsel and U.S. counsel. In addition, the instant application has been refused based on a likelihood of confusion with a prior registration. The cited registrant is a U.S. subsidiary of a parent company located in Australia. Additional time is requested in order to confer with counsel regarding the foreign entity.

Applicant submits that this is the first request for extension of time, and that good cause has been shown. TBMP §1203.02(d) (“Extension of Time for Filing Brief”) (“Depending on the totality of the circumstances, good cause has been found when there

has been . . . the need to get instructions from a foreign applicant. . ."). Therefore, grant
of the request for extension of time is respectfully solicited.

Respectfully submitted,

ASH GAMING LIMITED
