**Amy Matelski, Paralegal Specialist:**

Applicant's motion to suspend proceedings, filed September 17, 2012, is noted. Applicant seeks suspension of the appeal on the ground that the registration which has been cited against the registration of applicant's mark could be cancelled for failure to timely file a renewal.

The cited registration issued on December 31, 2012, and therefore a Section 9 renewal has to be filed no later than July 1, 2013 (i.e., within the six-month grace period after the due date for filing the renewal). Office records indicate that a Section 8 and 9 affidavit has been filed on September 6, 2012.

Serial No. 85250063

Accordingly, proceedings in the appeal are hereby suspended pending action on the Section 8 and 9 affidavit filed September 6, 2012. If the cited registration is cancelled, the Board will dismiss the appeal as involving a moot question. If the Section 8 and 9 affidavit is accepted, the appeal will be resumed and applicant will be allowed time to file its brief.
