Tina Craven, Paralegal Specialist:

On September 10, 2012, applicant filed a paper requesting that the Board suspend action on the appeal so that applicant might now file a petition for cancellation of Registration No. 3444467, which was cited by the Trademark Examining Attorney as a Section 2(d) bar to registration of applicant's mark.

Accordingly, the request to suspend is granted and proceedings herein are suspended pending applicant's filing of a petition to cancel Registration No. 3444467. Within twenty days of filing such cancellation proceeding, applicant should notify the Board.

During the suspension period the Board should be notified of any address changes for applicant or its attorney.
