**Eric McWilliams, Supervisory Paralegal:**

It has come to the Board's attention that this appeal was terminated on April 24, 2014, after the appeal was remanded to the Trademark Examining Attorney to raise a new issue. A new final office action ultimately issued on July 28, 2014, and the application was abandoned on March 23, 2015, for Applicant's failure to respond to the final office action.

Inasmuch as there was an ongoing appeal at the time the application was remanded to the Trademark Examining Attorney, the application should have been returned to the Board for resumption of the already existing appeal. In view thereof, the holding that the application is abandoned is therefore vacated and the application is reinstated.

The appeal is now resumed; and Applicant is allowed until sixty days from the mailing date hereof in which to file its brief herein. A request for an

oral hearing, if desired, must be made not later than ten days after the due date for applicant's reply brief.
