REQUEST FOR EXTENSION OF TIME WITHIN WHICH TO FILE APPEAL BRIEF

Pursuant to TBMP Rule 1203.02(d), Applicant hereby requests a sixty (60) day extension of the deadline for filing its Appeal Brief in connection with the above-referenced application.

Applicant and its undersigned counsel require additional time to prepare Applicant's Appeal Brief due to the press of other business. In addition, Applicant notes that essentially the same issue at issue in this appeal is at issue in its companion application, Ser. No. 85315739, which was remanded to the same Examining Attorney on November 9, 2012. Therefore, Applicant believes that it would be more efficient for the Applicant, the Examining Attorney and the Board to address the issue in both cases at the same time. Applicant believes that the requested extension of time will allow the companion application to be approved for publication or to return to the Board for furtherance of the appeal.

Applicant previously requested an extension of time to file its Appeal Brief on July 5, 2013.

Ser. No. 85315751

The current deadline for Applicant to file its Appeal Brief is August 5, 2013.

Dated: August 5, 2013

Respectfully submitted,
