RE: Serial #:85346297 Application for Alpine Swiss Trademark for GFX Marketing
ESTTA Tracking # ESTTA444155

Dear Sir or Madame:

The extension time frame granted to a potential oppose for the mark applied for by our firm above has expired last week.

May I ask when we can proceed with this application? Do I need to take action for the next step in this process or will your office be sending me a notice.

Sincerely,

Sean Demir
