**MOTION TO CONSOLIDATE**

Applicant has proposed the mark VAULT BIOVENTURES in standard characters. Registration has been refused on the ground of likelihood of confusion with U.S. Registration Nos. 4030759, 4030758 and 3864144. Applicant has filed a timely appeal and the file has been forwarded to the undersigned examining attorney for his statement.

The examining attorney notes that the issues in question are related to those presented by applicant's companion case 85362228 VAULT BIOVENTURES REACHING NEW HEIGHTS TOGETHER in special form, also forwarded to the examining attorney for his statement.

As applicant has filed ex parte appeals in two co-pending applications and the cases involve common issues of law and fact, the examining attorney hereby moves that the referenced appeals be consolidated for efficiency and ease of case prosecution. TBMP §1214.

Respectfully submitted,
