Victoria von Vistauxx, Paralegal Specialist:

Applicant's request for remand of the above-entitled application (filed November 18, 2015) is noted.

Applicant seeks remand of the above-entitled application to the Trademark Examining attorney for consideration of Applicant's proposed amendment to description of goods in the subject application.

Inasmuch as good cause has been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for his consideration of Applicant's proposed amendment.

In the event that registrability is found, the appeal will be moot and the Board should be so informed. In the event refusal is maintained, a brief office action should be issued, excluding the usual language allowing Applicant six months to respond, the file should be returned to the Board, proceedings will be resumed, and Applicant will be allowed time in which to file its brief on appeal.
