Overview

ADVERTISING

Marking the 30th anniversary of the first edition's publication, this new edition is updated with the latest terms to enter the English language. Comprehensive and authoritative, this reference also offers outstanding coverage of world, regional, and dialect English, generating a rich source of words for all language lovers. Featuring a wide range of biographical entries, this study also lists usage notes—giving advice on using the right word in the right place—and thousands of etymologies tracing the roots of modern English. A clear, two-color page design
