Application Serial No.	85648769
Applicant	Diversified Product Development

Notice of Appeal

Notice is hereby given that Diversified Product Development appeals to the Trademark Trial and Appeal Board the refusal to register the mark depicted in Application Serial No. 85648769.

Applicant has filed a request for reconsideration of the refusal to register, and requests suspension of the appeal pending consideration of the request by the Examining Attorney.

The refusal to register has been appealed as to the following class of goods/services:

- Class 007.

All goods and services in the class are appealed, namely: Heavy duty equipment used by power linemen in connection with high-voltage power lines; insulated crane baskets used in the field of high voltage electric utility, line lifters used to hold up power lines so crew members can free up equipment previously used to hold the lines, pole pullers used to move electric poles, insulated work platforms for bare-hand work for repair and construction of power lines, and hydraulic powered vehicle mounts to extract power line poles

Respectfully submitted,
