MOTION TO EXTEND APPLICANT'S DEADLINE TO FILE APPEAL BRIEF

Applicant, The Bruery, LLC, by and through its attorney, hereby moves the Trademark Trial and Appeal Board to extend the deadline in the above-entitled matter by forty-five (45) days.

In satisfaction of the Trademark Trial and Appeal Board's requirement that Applicant provide a showing of good cause for this extension request, Applicant respectfully submits that a member of its counsel of record's immediate family was admitted to the Intensive Care Unit approximately 2½ weeks ago with a life-threatening health issue, for which he remained hospitalized for over 2 weeks. Applicant's counsel was simply unable to complete the work required to timely file the brief.

No prior request for extension has been made or granted.

Applicant's Appeal Brief is due no later than December 31, 2013. Applicant respectfully requests that such date be extended for 60 days, and that all subsequent dates be reset accordingly. The reset deadline to file Applicant's Appeal Brief would be February 14, 2013

Based on the above, it is believed that this request constitutes good cause, and an order granting this motion is respectfully requested.

Respectfully submitted,

Dated: December 31, 2013
