Filed: 6/21/2012

By the Trademark Trial and Appeal Board:

Upon further review, the record reveals that Registration No. 3564875, which was cited by the Trademark Examining Attorney as a bar to the registration of Applicant's mark, was cancelled under Section 71 on August 21, 2015.

Accordingly, the appeal is dismissed as involving a moot question with respect to Registration No. 3564875. With respect to Registration Nos. 4030262 and 4236360, the refusal to register Applicant's mark due to a likelihood of confusion is maintained. In view thereof, the appeal is resumed and Applicant is allowed until **sixty days** from the mailing date of this order to file its appeal brief. A request for an oral hearing, if desired, must be made not later than ten days after the due date for Applicant's reply brief.
