Nicole Thier, Paralegal Specialist:

The Board has received the request to extend time to oppose filed November 18, 2013 with consent and the notice of opposition filed January 27, 2014 filed on behalf of Versalis S.p.A. Both filings were timely submitted to the Board.

However, the request for an extension of time had not been associated with the electronic record of this application at the time a notice of allowance issued for the application.

While the request is well taken, potential opposer's time to oppose has now expired. Accordingly, the notice of allowance will be cancelled by the Intent to Use Section of the Office and the Board will institute the timely filed notice of opposition upon completion.
