A maximum strength acne treatment with Salicylic Acid 2% clears up acne blemishes & blackheads and helps prevent new breakouts. With anti-aging Glycolic Acid 10% complex to help minimize the look of acne marks and residual discolorations.

Oil-free, fragrance-free deep pore clearing gel. An advanced formulation to clear up whiteheads, acne blemishes, blackheads, refine pores and help reduce the appearance of fine lines, wrinkles, acne marks and residual discolorations. Contains maximum strength Salicylic Acid 2%, a BHA (beta hydroxy acid) to clear up acne blemishes, and eliminate the formation of new blackheads and blemishes while helping to minimize pore size. Potent Glycolic Acid complex 10%, an AHA (alpha hydroxy acid), Retinyl Palmitate, Licorice, Arnica & Aloe help regulate healthy cell turnover. Delivers proven anti-aging benefits that help reduce the appearance of fine lines and wrinkles, soothe the skin and minimize the look of acne marks and residual discolorations.

Directions for Use:
Cleanse skin thoroughly before applying medication. Cover the entire affected area with a thin layer one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor. If excessive dryness or peeling occurs, reduce application to once a day or every other day. Sunburn Alert (contains AHA): Because this product may make your skin more sensitive to the sun, be certain you have adequate sunscreen protection while using this product and for a week after you discontinue use.
