Request for Reconsideration – SN 85781180 – YOUTH PRIDE CHORUS

This Request for Reconsideration is in response to the Final Office Action that issued on May 7, 2014 (the “FOA”), in which the U.S. Patent & Trademark Office (“PTO”) maintained its refusal to register Big Apple Performing Arts Inc.’s (“BAPA”) YOUTH PRIDE CHORUS mark.

Applicant has filed a Notice of Appeal. Applicant respectfully requests that its appeal be suspended pending the PTO’s reconsideration of the FOA on the grounds outlined in this response.

Introduction

In the FOA, the PTO maintained its refusal of BAPA’s YOUTH PRIDE CHORUS mark because, *inter alia*, BAPA’s evidence of acquired distinctiveness purportedly is insufficient to show secondary meaning in YOUTH PRIDE CHORUS for the applied-for services. (FOA at 4.)

BAPA respectfully disagrees with these findings and requests that the PTO reconsider BAPA’s 2(f) claim of acquired distinctiveness, for the reasons set forth below.

Argument

1. LEADERS IN THE LGBTIQA VOCAL ENTERTAINMENT SECTOR RECOGNIZE YOUTH PRIDE CHORUS AS DISTINCTIVE IN THE RELEVANT COMMUNITY OF CONSUMERS

To supplement the extensive evidence of acquired distinctiveness already submitted in this application, BAPA hereby submits with this Reconsideration Request as **Exhibits A, B, and C**, the declarations of Robin Godfrey, Elven Hickmon, and Christopher Verdugo, who all occupy leadership roles in the lesbian, gay, bisexual, transgender, intersex, queer/questioning, allied (“LGBTIQA”) youth choral ensemble sector. Ms. Godfrey is the Executive Director of GALA Choruses, the leading trade organization of the North American LGBTIQA choral movement. Her organization has more than 180 member vocal ensembles with 8,000 singers. *See* Exhibit A at 2. GALA’s signature event is its quadrennial Festival, which brings together over 130 ensembles and 6,000 singers for the world’s largest LGBTIQA performing arts event. *Id.* Mr. Hickmon is General Manager for PerformOUTKC, located in Kansas City, Missouri, which is an organization that produces theatrical performances and choral concerts delivering messages of empowerment and comprised almost exclusively of LGBTIQA youth. *See* Exhibit B at 1-2. Mr. Verdugo is Executive Director for the Gay Men’s Chorus of Los Angeles, located in Los Angeles, California, one of the oldest LGBTIQA performing arts organizations in the nation and which promotes a youth vocal ensemble called “Outside Voices.” *See* Exhibit C at 1-2. None of these directors have a stake in the outcome of this application. *See* Exhibits A-C.

Through more than five years’ worth of exposure to BAPA’s use of YOUTH PRIDE CHORUS, they are readily aware of YOUTH PRIDE CHORUS as BAPA’s designation of source for its youth vocal ensemble services. *Id.* As Ms. Godfrey, Mr. Hickmon, and Mr. Verdugo all attest, YOUTH PRIDE CHORUS is recognized as one of the founding, if not oldest, youth vocal ensemble groups in the LGBTIQA movement. *Id.* In their view, YOUTH PRIDE CHORUS has become distinctive of BAPA’s services from those of competing organizations. *Id.*

Moreover, Ms. Godfrey, Mr. Hickmon, and Mr. Verdugo are all representative of the relevant *group of consumers* and *the relevant trade* offering the services described in BAPA's application. Their impressions of YOUTH PRIDE CHORUS in the marketplace should be taken into account when considering whether YOUTH PRIDE CHORUS has acquired distinctiveness through secondary meaning.

2. BAPA'S EVIDENCE IS MORE THAN SUFFICIENT TO SHOW SECONDARY MEANING OF YOUTH PRIDE CHORUS AS THE SOURCE OF ITS SERVICES

The FOA erringly dismisses the previously submitted Declarations of Peter Criswell, Executive Director of BAPA, filed September 13, 2013 ("Criswell Decl. 1") and April 7, 2014 ("Criswell Decl. 2") (collectively, the "Criswell Declarations"). In the FOA, the Examining Attorney implies that Mr. Criswell's statements are "conclusory" and ought to be scrutinized more carefully due to his position within the applicant organization. (FOA at 5.) However, the Examiner should not be so dismissive of the Criswell Declarations. In both of his declarations, Mr. Criswell attests to more than *ten* years of continuous and exclusive use of the YOUTH PRIDE CHORUS mark with the applied-for services. Criswell Decl. 1, in particular, also propounds evidence of solicited and unsolicited media mentions, advertising, and exposure of the YOUTH PRIDE CHORUS mark to the consuming public to demonstrate its acquired distinctiveness in the relevant trade, and specifically, the following:

1. Over ten (10) years of exclusive, substantial and continuous use of YOUTH PRIDE CHORUS in interstate commerce. (Criswell Decl. 1 ¶ 5.)
2. YOUTH PRIDE CHORUS services provided at nationally attended events with significant importance to the LGBTIQA community, including the GLAAD Media Awards, GLSEN's Respect Awards, Broadway Backwards, and with Cyndi Lauper on her True Colors Tour and her Home for the Holidays concert benefitting homeless youth. (*Id.* ¶ 3.)
3. The initial YOUTH PRIDE CHORUS concert at Carnegie Hall sold approximately 2,000 tickets. (*Id.* ¶ 4.)
4. Applicant routinely advertises its YOUTH PRIDE CHORUS performances in *Time Out New York* which has an approximate circulation of 147,000 recipients. (*Id.* ¶ 4.)
5. Applicant broadcasts e-mail updates, notifications and news prominently displaying its YOUTH PRIDE CHORUS mark to approximately 5,000 recipients each year. (*Id.* ¶ 4.)
6. The Center, a non-profit organization affiliated with Applicant, broadcasts e-mail updates, notifications and news that include updates on services offered under Applicant's YOUTH PRIDE CHORUS mark to over 20,000 recipients each year. (*Id.* ¶ 4.)
7. Applicant, through its members, distributes at least 5,000 palm cards prominently displaying Applicant's YOUTH PRIDE CHORUS mark to advertise for every YOUTH PRIDE CHORUS concert. (*Id.* ¶ 4.)
8. Applicant has performed YOUTH PRIDE CHORUS concerts at the Gay and Lesbian Association of Choruses (GALA) Festival twice (2008 and 2012) reaching 4,000 consumers from different cities across the United States. (*Id.* ¶ 4.)

9. Applicant has performed two (2) YOUTH PRIDE CHORUS concerts per year for the last ten (10) years. Each concert sells 300 tickets. It is estimated that 6,000 guests have attended a YOUTH PRIDE CHORUS concert during the last ten (10) years. (*Id.* ¶ 4.)
10. Applicant's YOUTH PRIDE CHORUS performances featuring "We're Not Gonna Take It" and "Generations" were discussed in *NYC Up Magazine* and *Out Magazine*, reaching thousands of consumers. (*Id.* ¶ 4.)
11. Applicant's Youth Pride Chorus Facebook page enjoys 1,371 "likes". (*Id.* ¶ 5.)
12. Applicant's Youth Pride Chorus Twitter account enjoys 496 followers. (*Id.* ¶ 5.)
13. Applicant's Youth Pride Chorus channel on YouTube has been viewed 126,821 times. (*Id.* ¶ 5.)
14. Applicant's YOUTH PRIDE CHORUS YouTube video, "It Gets Better," has been viewed 103,382 times. (*Id.* ¶ 5.)
15. Applicant's video on YouTube video about YOUTH PRIDE CHORUS has been viewed 2,096 times. (*Id.* ¶ 5.)
16. Applicant has enjoyed at least forty-eight (48) unsolicited media mentions, articles, and interviews about its YOUTH PRIDE CHORUS events, including placement in *The New York Times*, *New York Daily News*, *Time Out New York*, *Out Magazine*, *Playbill.com*, NY1, and *New York Magazine*. (*Id.* ¶¶ 5-6.)

The Examining Attorney also claims that there is no information, solicited or unsolicited that shows the mark, YOUTH PRIDE CHORUS is perceived by consumers as a source identifier. (FOA at 5.) Applicant respectfully disagrees. The Criswell Declarations and the accompanying third party evidence that they proffer demonstrate that YOUTH PRIDE CHORUS is a source identifier for BAPA's vocal ensemble services. For example, the print-outs from BAPA's YOUTH PRIDE CHORUS channel on YouTube, attached to Criswell Decl. 1, shows BAPA's YOUTH PRIDE CHORUS mark prominently displayed at the top of the page, and includes a section on "About Youth Pride Chorus," "Inside Youth Pride Chorus," and includes different links to YOUTH PRIDE CHORUS performances. The YouTube channel name is in fact called "Youth Pride Chorus". How the Examining Attorney can arrive at the conclusion that YOUTH PRIDE CHORUS has not acquired secondary meaning, in light of over 126,000 views of YOUTH PRIDE CHORUS performances on YouTube or over 1,800 followers on social media platforms is confounding.

In the FOA, the Examining Attorney continues to reassert her previous contention that the quantum and quality of BAPA's evidence of acquired distinctiveness is insufficient. The FOA does not, however, justify this contention in light of BAPA's significant evidence. Instead, it relies on an inapt analogy between YOUTH PRIDE CHORUS and "THE SCIENTIFIC APPROACH," the mark at issue in *In re Redken Labs, Inc.*, 170 U.S.P.Q. 526 (T.T.A.B. 1971). The Examining Attorney repeatedly rests on *Redken*, as if the comparison between YOUTH PRIDE CHORUS and THE SCIENTIFIC APPROACH were a *fait accompli*. In *Redken*, the Board determined that THE SCIENTIFIC APPROACH had not acquired distinctiveness, despite longstanding use and extensive investment efforts. (*See, e.g.*, FOA at 5.) However, as discussed in Applicant's prior Response to Office Action dated April 7, 2014, the present case is clearly distinguishable from the *Redken* case for two reasons.

First, and as explored in extensive depth previously in Applicant's Response to Office Action dated April 7, 2014 (the "Second Response"), Applicant's evidence of acquired distinctiveness in this case is far more extensive than the evidence submitted in the *Redken* matter. Nonetheless, the Examining Attorney continues to treat the *Redken* acquired distinctiveness evidence superficially despite Applicant's exhaustive efforts explaining the differences between *Redken* and the present case and why *Redken* should not apply. (See Second Response at 3-5.)

Not only is YOUTH PRIDE CHORUS far less descriptive than THE SCIENTIFIC APPROACH, and therefore requiring less, not more evidence of acquired distinctiveness, but the evidence proffered by BAPA clearly shows that the YOUTH PRIDE CHORUS mark has acquired distinctiveness in the minds of *the relevant consumers* (i.e. consumers of LGBTIQA youth vocal ensemble services). As established by the evidence proffered in the Criswell Declarations, BAPA's YOUTH PRIDE CHORUS vocal ensemble services have been the subject of nearly 50 unsolicited media mentions; BAPA has performed live for thousands of patrons under the YOUTH PRIDE CHORUS mark; and BAPA's popular YouTube channel identified under the YOUTH PRIDE CHORUS mark has been viewed over 126,000 times. (Criswell Decl. 1 ¶¶ 4-6.) YOUTH PRIDE CHORUS services have been provided at nationally attended events with significant importance to the LGBTIQA community, including the GLAAD Media Awards, GLSEN's Respect Awards, Broadway Backwards, and with Cyndi Lauper on her True Colors Tour and her Home for the Holidays concert benefitting homeless youth. (*Id.* ¶ 3.) The Examining Attorney omits all discussion of this evidence entirely.

Second, the mark at issue in the *Redken* case, THE SCIENTIFIC APPROACH, is far more descriptive than is Applicant's YOUTH PRIDE CHORUS mark. A Google search of THE SCIENTIFIC APPROACH returns, among other generic sites, many different websites describing various scientific approaches in various different fields. By contrast, the top ten hits in a Google search of YOUTH PRIDE CHORUS all refer to BAPA's YOUTH PRIDE CHORUS mark. These search results are attached as **Exhibits D** and **E**. As such, THE SCIENTIFIC APPROACH and YOUTH PRIDE CHORUS are manifestly different terms along the spectrum of distinctiveness. It is unclear how much evidence of secondary meaning it would take to render THE SCIENTIFIC APPROACH identifying most any good or service, whereas Applicant's evidence of acquired distinctiveness more than satisfies the required minimum amongst consumers of LGBTIQA youth vocal ensemble services.

3. THE EXAMINING ATTORNEY DISTORTS APPLICANT'S POSITION WITH RESPECT TO THE USE OF "YOUTH PRIDE" IN THE RELEVANT COMMUNITY

In BAPA's Second Response, BAPA stated that the term "Youth Pride" is not so commonly used in the LGBTIQA community as to be highly descriptive, yet recognizing that many LGBTIQA organizations have adopted the expression "Youth Pride" as a mode of empowerment. In the FOA, the Examining Attorney misinterprets these two points as contradictory, or worse, some sort of admission as to the highly descriptive nature of YOUTH PRIDE CHORUS. (FOA at 5.) Neither is the case, however.

Though there are examples of third party "Youth Pride" usage available online, the examples referenced by the Examiner in the FOA by no means demonstrate that "YOUTH PRIDE" is so

commonplace a term amongst the majority of organizations who direct their products and services to LGBTIQ consumers, such that YOUTH PRIDE CHORUS could not, even with ten years of continuous and exclusive use, extensive media coverage, and prominently-held performances, have acquired distinctiveness. Indeed, searches of numerous online business directories listing LGBTIQ organizations show that the vast majority of such businesses and organizations incorporate neither “pride” nor “youth pride” in their names. And the vast majority are unrelated to music and performing arts services, and therefore irrelevant to BAPA’S application. Exemplar directory results are attached as **Exhibit F**. *See, e.g., In re Savi Tech.*, 2014 WL 2174317 (T.T.A.B. May 12, 2014) (reversing refusal to register because the examining attorney had “not shown that relevant purchasers of applicant’s vehicle tracking software would . . . perceive” the applied-for mark as merely descriptive) (non-precedential).

Conclusion

BAPA respectfully submits that its YOUTH PRIDE CHORUS mark has acquired distinctiveness sufficient to create secondary meaning in the minds of the relevant consumers of its services. It respectfully requests the PTO to reconsider both its previously-submitted evidence and the additional affidavits and evidence attached herein, and to pass its application to publication.

**DECLARATION OF
ROBIN GODFREY
IN SUPPORT OF ACQUIRED
DISTINCTIVENESS**

I, the undersigned, Robin Godfrey, declare under penalty of perjury as follows:

1. I am the Executive Director for the Gay and Lesbian Association of Choruses (“GALA”), based in Pittsburgh, Pennsylvania (hereinafter “My Organization”). I have been associated with My Organization for 7 years and I have occupied my present position for that entire time. The facts set forth in this declaration are within my personal knowledge.

2. I give this Declaration in support of Big Apple Performing Arts, Inc.’s (hereinafter, “BAPA’s”) applications to register the marks YOUTH PRIDE CHORUS and YOUTH PRIDE CHORUS (Stylized) as depicted in the caption above (hereinafter, the “YOUTH PRIDE CHORUS Trademarks”) with the U.S. Patent & Trademark Office.

3. My Organization leads the North American LGBT choral movement. Our more than 180 member vocal ensembles and their 8,000 singers look to us for support and leadership. We are dedicated to helping vocal ensembles become more effective, both artistically and

administratively. We assist emerging organizations and facilitate networking and training for established groups. Currently, GALA is putting special focus on the implementation of programming that will assess and improve the sustainability of our member ensembles. GALA's signature event is our quadrennial Festival, which brings together over 130 ensembles and 6000 singers for the world's largest lesbian, bisexual, gay, transgender, intersex, queer/questioning, and allied (LGBTIQA) performing arts event. BAPA is a member organization; however, My Organization is in no way affiliated with BAPA.

4. I regularly see BAPA and its members perform choral services under the YOUTH PRIDE CHORUS Trademarks at GALA events.

5. I first encountered BAPA's services offered under the YOUTH PRIDE CHORUS Trademarks at least as early as 2007. BAPA's ensemble, the YOUTH PRIDE CHORUS, is one of the founding—if not the oldest—youth vocal ensemble in the LGBTIQA choral movement. To my knowledge, no other LGBTIQA vocal ensemble in the trade has adopted a name similar to YOUTH PRIDE CHORUS. Within the LGBTIQA choral sector, on account of more than five years' worth of use of the YOUTH PRIDE CHORUS Trademarks, I believe that the marks have come to be associated singularly and exclusively with BAPA. I believe this to be true because in the course of my work for My Organization and in discussions with other LGBTIQA vocal ensembles, we have referred to BAPA's YOUTH PRIDE CHORUS vocal ensemble on multiple occasions over the years.

6. From my longstanding experience with BAPA and their services I believe that the YOUTH PRIDE CHORUS Trademarks have become (a) well-known to the relevant LGBTIQA choral arts sector and consumers of such services in the United States with respect to BAPA's services; (b) uniquely associated with BAPA within such sector and to such consumers; and (c)

distinguishing of BAPA's services from those provided by other competing organizations.

Conclusion

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18, U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any resulting registration, declares that the facts set forth in this Declaration are true; all statements made on his/her own knowledge are true; and all statements made on information and belief are believed to be true.

ELVEN HICKMON
IN SUPPORT OF ACQUIRED
DISTINCTIVENESS**

I, the undersigned, Elven Hickmon, declare under penalty of perjury as follows:

1. I am the General Manager for PerformOUTKC, located in Kansas City, Missouri (hereinafter “My Organization”). I have been associated with My Organization for 6 years and I have occupied my present position since September 28, 2008. The facts set forth in this declaration are within my personal knowledge.

2. I give this Declaration in support of Big Apple Performing Arts, Inc.’s (hereinafter, “BAPA’s”) applications to register the marks YOUTH PRIDE CHORUS and YOUTH PRIDE CHORUS (Stylized) as depicted in the caption above (hereinafter, the “YOUTH PRIDE CHORUS Trademarks”) with the U.S. Patent & Trademark Office.

3. My Organization provides a safe, inclusive atmosphere for youth of any and all identities, whether lesbian, bisexual, gay, transgender, intersex, queer/questioning, or allied (LGBTIQA). We foster positive identity development through excellence in musical

performance and creative expression. Specifically, My Organization produces theatrical performances and choral concerts delivering messages of empowerment and comprised almost exclusively of LGBTIQA youth. My organization is in no way affiliated with BAPA.

4. My Organization is a member organization of GALA Choruses (www.galachoruses.org), the Gay and Lesbian Association of Choruses (“GALA”), which leads the North American LGBTIQA choral movement. More than 180 vocal ensembles and their 8,000 members participate in GALA programs, including BAPA’s ensemble, the YOUTH PRIDE CHORUS. GALA’s signature event is its quadrennial Festival, which brings together over 130 vocal ensembles and 6,000 singers for the world’s largest LGBTIQA choral performing arts event, at which I regularly see BAPA and its members perform choral services under the YOUTH PRIDE CHORUS Trademarks.

5. I first encountered BAPA’s services offered under the YOUTH PRIDE CHORUS Trademarks at least as early as July 2008. BAPA’s ensemble, the YOUTH PRIDE CHORUS, is one of the founding—if not the oldest—youth vocal ensemble in the LGBTIQA choral arts sector. To my knowledge, no other LGBTIQA vocal ensemble in the trade has adopted a name similar to YOUTH PRIDE CHORUS. Within the LGBTIQA choral sector, on account of more than five years’ worth of use of the YOUTH PRIDE CHORUS Trademarks, I believe that the marks have come to be associated singularly and exclusively with BAPA. I believe this to be true because in the course of my work for My Organization and in discussions with other LGBTIQA vocal ensembles, we have referred to BAPA’s YOUTH PRIDE CHORUS vocal ensemble on multiple occasions over the years.

6. From my longstanding experience with BAPA and their services I believe that the YOUTH PRIDE CHORUS Trademarks have become (a) well-known to the relevant LGBTIQA

choral arts sector and consumers of such services in the United States with respect to BAPA's services; (b) uniquely associated with BAPA within such sector and to such consumers; and (c) distinguishing of BAPA's services from those provided by other competing organizations, including My Organization.

Conclusion

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18, U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any resulting registration, declares that the facts set forth in this Declaration are true; all statements made on his/her own knowledge are true; and all statements made on information and belief are believed to be true.

3. My Organization is a leader among lesbian, gay, bisexual, transgender (LGBT) and groups and other performing arts organizations. My Organization creates musical experiences to enrich our member-artists, support LGBT youth, challenge homophobia, and
