**APPLICANT'S REQUEST FOR  
EXTENSION OF TIME TO FILE APPEAL BRIEF**

Applicant, by its attorney, hereby requests a 60-day extension of time in which to file its Appeal Brief. The current due date for Applicant's Appeal Brief is October 23, 2016. When granted, Applicant's time for filing the Appeal Brief will be extended to December 22, 2016.

In support of this request for an extension of time, Applicant advises that it has been in discussions with the owner of one of the cited registrations in order to obtain the consent to use and registration by Applicant for the goods set forth in International Class 12. Additional time to file the Appeal Brief is needed in order to maintain the status quo while the consent is executed by both parties and the Applicant can then proceed to file a request to remand the application to the Examining Attorney for consideration of the new evidence.

Under the circumstances, favorable action on this request for extension of time is requested and Applicant's deadline for filing the Brief on Appeal should be extended to December 22, 2016.

Respectfully submitted,

Date: October 18, 2016
