Top > RYO/Snuff > Mint Snuff
Mint Snuff
Mint Snuff Chew is a non-tobacco edible chew made of mint instead of tobacco. Mint Snuff contains no salt, no sugar, no nicotine, is tobacco free and is safe to eat.
Mint Snuff Pouches are miniature teabags filled with Mint and Mint Oil Crystals. They're a terrific alternative to cigarettes and they freshen your breath, too! Pop-A-Pouch instead of a puff!
