Trademark Trial and Appeal Board,

We are respectfully requesting that the 90 day extension of time for the mark NxtBigThing, Serial Number 85845260 be reduced to a 30 day extension of time. We feel that the request from the Potential Opposer does not list extenuating circumstances to warrant the 90 day extension. Thank you in advance for your consideration and time in reviewing our mark.

Thank you,

Chad Batterman
CEO
