Karl Kochersperger, Paralegal Specialist:

On September 27, 2013, potential opposer, Standard International Management, LLC, filed a request for a further 60-day extension of time to oppose for good cause, alleging that it is engaged in settlement discussions with applicant. The extension request was granted by order on the same day.

On October 10, 2013, applicant, Standard Burger Group, LLC, filed a communication signed by its counsel, denying the factual basis for potential opposer's September 27 extension request.

Upon consideration, we will treat applicant's filing as a request for reconsideration of the Board's September 27, 2013, grant of potential opposer's extension of time to oppose. Applicant's filing was an objection to the grant of

Extension of Time to Oppose No. 85856422

the last extension. See TRADEMARK TRIAL AND APPEAL BOARD MANUAL OF PROCEDURE (TBMP) § 210 and 211.

Standard International Management, LLC is allowed **TWENTY DAYS** from the mailing date of this order in which to file a response, if it wishes to do so. A copy of applicant's October 10, 2013, 2013, filing is enclosed for the potential opposer's reference.
