**Karl Kochersperger, Paralegal Specialist:**

On November 8, 2013, potential opposer, Standard International Management, LLC, filed a response to applicant's request for reconsideration.

On October 10, 2013, applicant, Standard Burger Group, LLC, filed a communication which has been construed as a request for reconsideration by the Board.

Potential opposer's response contains a sworn affidavit that there was a mistake in their request to extend time to file a notice of opposition (filed on September 27, 2013). They also cite a reason for the extension request that could have existed at the time of filing the request for extension. For these reasons, potential opposer's response is accepted and the previously granted extension due date of November 27, 2013 stands.

Accordingly, potential applicant's request for reconsideration is denied.
