REQUEST FOR RECONSIDERATION DENIED

ISSUE/MAILING DATE: 10/14/2015

In applicant's Motion to Remand Application, filed September 15, 2015, applicant requested that the Trademark Trial and Appeal Board remand the application to the examining attorney for consideration

of additional evidence and arguments with regard to the refusal under Section 2(d) made final in the Final Office Action issued July 10, 2015. In response to the same, the case was remanded to the examining attorney on September 18, 2015 for consideration of these issues.

In the present case, applicant's evidence and arguments have not resolved all the outstanding issues, nor does it raise a new issue or provide any new or compelling evidence with regard to the outstanding issue in the final Office action. In addition, applicant's analysis and arguments are not persuasive nor do they shed new light on the issues. Accordingly, the refusal under Section 2(d) remains final.

Applicant has already filed a timely notice of appeal with the Trademark Trial and Appeal Board. The Board will be notified to resume the appeal. *See* TMEP §715.04(a).
