It has come to the attention of the Board that the subject application has matured into Registration No. 4465439. The Board regrets this situation, but it is without authority to vacate the issuance of said registration.

Accordingly, the Board will forward the electronic record of the application file to the Office of the Commissioner for Trademarks for consideration of the cancellation of the inadvertently issued registration.

Potential opposer should note that the Board will not suspend the time for filing a notice of opposition for any reason. TBMP § 209.01 (2d ed. June 2003). Accordingly, if potential opposer wishes to preserve its right to oppose, it must continue to file requests for the extension of time, if available, or a notice of opposition.
