REQUEST FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

Commissioner of Trademarks
P.O. Box 1451
Alexandria, VA 22313-1451

Sir:

Applicant has been accorded until August 23, 2015 in which to file its Appeal Brief in this matter.

The only issue which remains in the application is the acceptability of the Class 37 specimens.

The undersigned attorney has been corresponding with the Applicant and Applicant is reviewing its files and consulting with undersigned concerning appropriate substitute Class 37 specimen materials for submission to the USPTO, in order to support the Class 37 services.

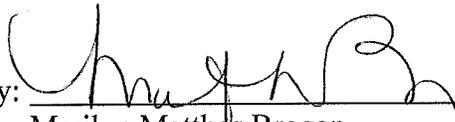

In order to provide additional time to obtain, review and file the above mentioned material, Applicant is now requesting a further two month extension of time to file the appeal brief due **August 23, 2015** up to and including **October 23, 2015**; it is anticipated that this should provide Applicant sufficient additional time to address this issue, and thereby avoid any further appellate proceedings.

Applicant therefore requests this Extension of Time, not for purposes of delay, but to provide Applicant additional time to attend to this formality, thereby resolving the one outstanding issue, without any further unnecessary action by the U.S.P.T.O.

Applicant believes that there should be no fee required by reason of the instant submission. However, if any fee is required, or if any overpayment has been made, please charge the credit Deposit Account No. 50-0320.

Respectfully submitted,
