REQUEST FOR EXTENSION OF TIME TO FILE BRIEF ON APPEAL

Applicant hereby requests a sixty-day extension of time in which to file its brief on appeal in this case.

As grounds in support of this request for extension of time, Applicant's attorney asserts that it needs additional time to investigate whether it can enter into a consent agreement with the owner of the Cited Registration cited by the examining attorney; and investigate whether Applicant has grounds to cancel the Cited Registration. Accordingly, this sixty-day extension of time is necessary for Applicant to secure a consent agreement with the owner of the Cited Registration.

It is submitted that this request is well taken and should be granted.

Respectfully submitted,

Date: February 2, 2015
