**MOTION TO CONSOLIDATE**

Applicant has applied for two co-pending applications comprising the marks JAWS (U.S. Application Serial No. 86040643) and JAWS DEVOUR YOUR HUNGER (U.S. Application Serial No. 86040656). Registration has been refused for the two applications under Section 2(d) of the Trademark Act on the ground that the proposed marks create a likelihood of confusion with the registered mark JAWS (U.S. Registration No. 2276097).

As the applicant has filed ex parte appeals in the two co-pending applications and the cases involve common issues of law and fact, the examining attorney hereby moves that the referenced appeals be consolidated for efficiency and ease of prosecution. TBMP §1214.
