In re Clemente Ayala

Serial No. 86139330

Filed: 12/10/2013

Victoria von Vistauxx, Paralegal Specialist:

On May 24, 2016, Applicant filed a motion to suspend and remand of the above-entitled application to the Trademark Examining Attorney for reconsideration.

Applicant requests that the Trademark Examining Attorney to further reconsider the subject application in light of newly obtained evidence. Additionally, Applicant requests the remand to make additional evidence of record. TBMP §1207.02

Accordingly, good cause having been shown, Applicant's motion to suspend and remand is granted, proceedings on the appeal are **SUSPENDED** and the file is remanded to the Trademark Examining Attorney for consideration of Applicant's new evidence.

If the Trademark Examining Attorney, after review of Applicant's request, maintains the refusal of the registration of the subject application, the Trademark Examining Attorney should issue an office action so indicating, and return the file

Exparte Appeal No. 86139330

to the Board which will then allow Applicant time to file its supplemental brief, if so desired.
