**Millicent Canady, Paralegal Specialist:**

On October 30, 2015, the Trademark Examining Attorney submitted a request for remand in application Serial No. 86227093, a copy of which is attached.

In view of the reasons given, the request for remand is granted, action on the appeal is suspended, and the files are remanded to the Examining Attorney.

The Examining Attorney is advised that inasmuch as new issues will be raised, the refusal cannot be made final until applicant is given an opportunity to respond. If after the applicant is given time to respond, a final refusal ultimately issues, the "six-month response" clause should be omitted and the electronic record should be returned to the Board for resumption of the appeal, at which time, applicant will be allowed time to file a brief.
