**Amy Matelski, Paralegal Specialist:**

Proceedings on the appeal were suspended pending the final determination of Cancellation No. 92062553. Applicant filed on April 21, 2016 a request for remand in view of the cancellation proceeding having been granted on February 16, 2016, canceling Registration No. 1030589, which the Examining Attorney had raised a Section 2(d) bar to registration.

In view thereof, the file is remanded to the Examining Attorney to consider the effect of the cancellation on the Section 2(d) refusal. In the event registrability is found, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its appeal brief.
