Millicent Canady, Paralegal Specialist:

Applicant's request for remand filed August 10, 2016 is noted.

Applicant seeks remand in order for the Trademark Examining Attorney to consider the request for reconsideration of the final refusal. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for consideration.

If the amendment is accepted and the application is approved for publication then the Board should be so informed. If the amendment is found unacceptable, the Examining Attorney should issue an Office Action indicating the reasons why the proposed amendment is unacceptable and notify the Board, which will then allow applicant time to file its appeal brief. However, if the Examining Attorney believes

Exparte Appeal No. 86273794

that the problems with the proposed identification can be resolved, the Examining Attorney is encouraged to contact applicant, either by telephone or written Office Action, in an attempt to do so.
