A seasonal fruit gift and fresh fruit delivery from Harry & David speaks volumes about the gift giver—sophisticated, thoughtful, and conscientious. That's why, at Harry & David, we only send the finest fruit, picked at the peak of the season, in our fresh fruit gifts.

Choose your favorites from our fruit arrangements and rest assured that we will deliver your fruit gifts on time and in perfect condition. There are so many occasions for which fresh fruit gifts are perfect. Send fruit to help someone special celebrate an anniversary, wish a loved one happy birthday with a fresh fruit delivery, or welcome a new member into your community with one of our wonderful fruit gift ideas.

The best way to ensure that a gift will be appreciated and put to good use is to send a gift that is edible. Fruit gifts, whether they are fruit arrangements, baskets brimming with a variety of delectable fruit, or whole boxes of pears from our orchards, will definitely be met with delight.

We grow most of our fruit in our own orchards. Agricultural experts carefully monitor each crop, and when the time is right, the fruit is picked by hand. Then, we pack it into boxes, baskets, and fruit arrangements for fruit delivery after fruit delivery. Order a fruit delivery of your own today. You will be glad you did.

Brothers Harry and David set the bar high when they began growing Royal Riviera® Pears more than 80 years ago. The pears were so popular the brothers came up with the original Fruit-of-the-Month-Club® Collection to send fruit year-round. Soon, our founders were creating even more new products, like gourmet gift baskets wrapped with hand-tied bows and specialty gourmet foods.
We handcraft a wide array of decadent treats on our Rogue Valley campus, like Moose Munch® Gourmet Popcorn and our decadent chocolate truffles. And we continue to craft our popular baked goods as well. Rich, sticky cinnamon swirl, baklava, and fruitcake emerge from our bakery ready to be hand-packed and delivered fresh.
We continue to innovate and create new ways to elevate every occasion to this day. Recently, we introduced our very own Harry & David wine collection and our selection of gorgeous flowers and plants has grown substantially. We also now offer an impressive collection of business gifts.
