**Veronica P. White, Paralegal Specialist:**

Applicant's request for remand filed January 11, 2016 is noted.

Applicant seeks remand in order for the Trademark Examining Attorney to consider the proposed amendment to add a disclaimer statement, which is an attempt by Applicant to resolve the issue on appeal. Good cause having been shown, the request for remand is granted. Action on the appeal is suspended and the electronic record of the application file is herewith remanded to the Trademark Examining Attorney for consideration.

If the disclaimer is accepted and the application is approved for publication, the appeal will be moot and proceedings will be terminated accordingly. If the disclaimer is found unacceptable, the Trademark Examining Attorney should issue an Office Action indicating the reasons why the proposed disclaimer is unacceptable, the Board shall be so informed, proceedings will be resumed and

Applicant will be allowed time in which to file its brief on appeal. However, if the Trademark Examining Attorney believes that the problems with the proposed disclaimer can be resolved, the Trademark Examining Attorney is encouraged to contact Applicant, either by telephone or written Office Action, in an attempt to do so.
