## HOW TO USE THE DICTIONARY

Learn what the dictionary tells you about words.

### GET STARTED NOW!

Some compound words (like *bus rapid transit*, *dog whistle*, or *identy theft*) don't appear on the drop-down list when you enter them into the search window. If a compound term doesn't appear in the drop-down list, try entering the term into the search window and then hit the search button (instead of the "enter" key). Alternatively, begin searches for compound terms with a quotation mark.

## THE USAGE PANEL

The Usage Panel is a group of nearly 200 prominent scholars, creative writers, journalists, diplomats, and others in occupations requiring mastery of language. The Panelists are surveyed annually to gauge the acceptability of particular usages and grammatical constructions.

The new American Heritage Dictionary app from Mobile Systems is available at the [Apple Store here](#). The version for the Android platform will be available soon.

## INDO-EUROPEAN & SEMITIC ROOTS APPENDICES

Thousands of entries in the dictionary include etymologies that trace their origins back to reconstructed proto-languages. You can obtain more information about these forms in our online appendices:

### INDO-EUROPEAN ROOTS

#### SEMITIC ROOTS

The Indo-European appendix covers nearly half of the Indo-European roots that have left their mark on English words. A more complete treatment of Indo-European roots and the English words derived from them is available in our Dictionary of Indo-European Roots.
