Nice

Great quality in the leather of the wallet.Choosing this wallet was a great choice for me or anyone to make for a 'high-dollar' item for a fraction of the cost

great value

I bought this wallet last year for my boyfriend as a gift. he loved the wallet because it's not too bulky and has the neccasary compartments. Unfortunatly he lost his wallet so I'm back to buy another one.

SJ Wallet Purchase

The wallet was in a great packaged small box that made it easy for wrapping as a gift. After looking inside the box at the wallet, I noticed the cursive written Sean John design emblem was slightly filled in with a bronze filler of some sort. I wasn't not anything big just something I noticed while looking at it. Overall product was great and my boyfriend really enjoyed this as a gift.

Great Gift

I got this for my boyfriend for Xmas this year and he loved it. The leather is great and it matched well with his Sean John jean jacket he already has.

Fast shipping. Took 3 days for my product to arrive. The threading was a bit lose and I had slight difficulty taking my credit cards in and out. Maybe because I haven't broken it in yet. All and all the wallet is great for the price. I'm happy with my new wallet. =)
