Joi M Wilson, Paralegal Specialist:

On August 17, 2016 and August 12, 2016 Applicant filed a Motion to Divide.¹

Accordingly, proceedings in the appeal are suspended and the application is forwarded to the Intent to Use Division of the Office to consider the request to divide Class 41 and Class 44 which are subject to this appeal proceeding.

If the request to divide is approved, the Intent to Use Division should forward the newly created “child” application to the Trademark Examining Attorney for further processing towards a registration. Once the divisional request is completed, the Board should be notified so that the appropriate action can be taken with respect to the “parent” application.

¹ Applicant’s Motion for Substitution of Counsel is noted.
