2016 Field Player Academy - February, April, June, July & August

For developmental, travel and select players (boys and girls, ages 7-14)

During the week-long spring and summer programs, Revolution Academy coaches conduct specialized training sessions to teach players fundamentals of the game, with an emphasis on a repetitive learning process. Individual skill development is the main focus of the program, while also using small-sided games and attendance at a Revolution first-team training session to further impart the lessons.

Elite Programs

RDS Summer 2016

The RDS Summer Academy allows boys and girls, ages 9-14, four days of professional training with the Revolution Academy's RDS coaching staff. The top program in the Revolution Academy summer training programs, the RDS Summer Academy is held at six regional locations, all with artificial turf fields. Intended for elite players, this advanced curriculum is specially-designed to help players to master core skills required to play the game at the highest level.

RDS Speed and Finishing Summer 2016

The RDS Speed and Finishing Summer program is designed to develop explosive speed in soccer players. This is achieved through a specific curriculum that merges technical soccer drills with speed exercises. This form of training increases agility and speed of movement and functional soccer technique. The players will then put the speed training to practice through various finishing exercises, to create faster athletes and soccer players. The

various finishing exercises, to create faster athletes and soccer players. The RDS Speed and Finishing Summer 2016 is held at three regional locations and is intended for elite players.
