In re Harvey Carden

Serial No. 86513069

Filed: 1/23/2015

Tyrone Craven, Lead Paralegal Specialist:

On January 11, 2016, the Board granted Applicant's request for remand filed December 28, 2015, suspended proceedings and remanded the application to the Examining Attorney for consideration of the request. However, at the time the Board acknowledged and suspended the appeal, the electronic record of the application was not forwarded to the Examining Attorney for review of Applicant's request for remand.

In view thereof, action on the appeal is suspended retroactively from January 11, 2016 and the file is herewith remanded to the Examining Attorney for review of Applicant's request for remand filed December 28, 2015.

In the event registrability is found on the basis of Applicant's request for remand, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and Applicant will be allowed time in which to file its brief on appeal.
