In re Rugged & Dapper LLC

Serial No. 86534651

Filed: 2/13/2015

Amy Matelski, Paralegal Specialist:

This order supersedes the Board's order of earlier today.

The Board notes Applicant's appeal brief, filed April 22, 2016. Applicant also filed within its appeal brief, a request for remand.¹

Applicant seeks remand in order for the Examining Attorney to consider a consent agreement with the owner of the cited registration. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for consideration.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal

¹ Applicant is advised that the request for remand should have been filed as a separate document and not with the appeal brief.

Exparte Appeal No. 86534651

Board, proceedings will be resumed and applicant will be allowed time in which to file a supplemental appeal brief, if it so wishes.
