Ellen Yowell, Paralegal Specialist:

Upon further review of Applicant's paper filed on October 29, 2016, it is noted that Applicant identified the paper as a reply brief on the ESTTA cover sheet. However, inasmuch as Applicant had not previously filed an appeal brief, the Board construes the document as Applicant's appeal brief.

The application file remains with the Trademark Examining Attorney for a brief in accordance with Trademark Rule 2.142(b) as set forth in the Board's prior order dated November 3, 2016.
