Victoria von Vistauxx, Paralegal Specialist:

The Board has received the consolidated notice of opposition filed on March 7, 2016 on behalf of Independent Network TV, LLC.¹

However, the referenced consolidated notice of opposition had not been associated with the electronic file of these application until after it was too late to prevent the subject applications from maturing into a registration. The Board regrets this situation, but it is without authority to prevent the issuance of said registration.

¹ The Board notes that on the face of the notice of opposition, Applicant has made reference to Serial Nos. 86668139 & 86749435. However, the body of the pleading refers to the correct applications as reflected in the instant order.

Serial Nos. 86594629 and 86594631

Therefore, upon registration, the electronic records will be forwarded to the Commissioner for Trademarks for consideration of the cancellation of the inadvertently issued registrations, following which further appropriate action will be taken with respect to notice of opposition.
